## //// OUR COMPANY

GEOS Atlas (trade name of Sentinel Atlas) is a private security, safety and consulting company specialised in diplomatic security. In 2022, Sentinel Atlas joined the French group GEOS (ADIT Group) and became the group's reference company for Embassies, governments and international organisations deployed in some of the world's most sensitive areas. The company is based in Malta, from where we carry out back-office and consulting activities. We take pride in being an equal opportunities employer and strive to maintain a diverse and inclusive work-environment.

The junior analyst will be part of our **Country Watch Unit** and participate in the **daily monitoring of security events** in a small number of countries, with a focus on North Africa.
